The spiritual exercise of making decrees finds its precedent in both Old and New Testaments--the practice means simply quoting God's promises back to him, "reminding" him of what he has said. This kind of prayer is one of the most vital forms of intercession. In fact, the practice of decreeing God's Word not only builds our faith but transforms our lives. In this powerful and enlightening book, bestselling author and entrepreneur Patricia King helps readers grasp the power of inspired and finely tuned prayer. King explains how to · find specific texts of Scripture for your need · counter problems with God's Word · speak truth into reality · understand the difference between confessing the Word, proclaiming the Word, and decreeing the Word · and more Join countless believers who love the Word of God and honor its authority through their prayers. Accept the challenge to pray the words of Scripture boldly--in God's timing, for his will and purposes.

God loves you. And if you will let Him, He will not only direct your path, but He will give you power to live. That's what this book is all about: Power for living. Let God give you power, not only to live, but to live abundantly. The prophet Isaiah said it best: "Those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint (Isaiah 40:31). Our problem is we are trying to do life in our own strength, and it's not enough. We need God. We need His Son, Jesus. And with God's strength working within us, we can have power for living.

Please note: This is a companion version & not the original book. *Sample Book Insights: #1* The power of the spoken word is beyond our understanding. It is a spiritual mystery that has been hidden from us, but now it is being revealed so that God's people can be equipped for an unprecedented era of influence. *#2* The universe begins with words and thoughts. Everything in the universe revolves around these two elements. Your thoughts, intentions, and aspirations – whether they be secretly pondered in your heart or openly declared as desires – mold and shape your personal universe into something that is either grand and

beautiful or base and hideous. #3 What you say matters greatly. Your thoughts provide the fuel for your words, and your words provide the fuel for your world. It is important that you understand the meaning of what you are saying. #4 The law of cause and effect also works with the law of attraction. It states that like attracts like, and your thoughts and words are transmitted like a shortwave radio signal. They send messages out on a specific frequency and are transmitted back to you manifested as an experience or occurrence in your life.

Prayer is an essential part of our daily life. Without prayer, we do not have the power to pursue God and carry out our divine destiny. Whenever we pray, there is a specific watch or interval of time connected to it. Each prayer watch is a time for us to pray for our loved ones, our church, our government leaders, and for God's judgments and interception of Satan's diabolical plans. In "Watch and Pray: Understanding the Eight Prayer Watches," you will learn the answers to the following questions: - Why is prayer important? - What is a prayer watch? - What is a watchman? - What are the time intervals for each prayer watch? - What spiritual activities are involved during the eight prayer watches? This book also provides journal pages for readers to record their prayer requests, Scripture references, and prayer results. "Watch and Pray: Understanding the Eight Prayer Watches" will encourage you to pray and to see your life change and access all that God has for you in Christ Jesus.
